Check Out My Website!

Math

- Use objects and pictorial models to solve word problems involving joining, separating, and comparing sets within 20 and unknowns as any one of the terms in the problems such as $2 + 4 + ?$; $3 + ? = 7$; and $5 = ? - 3$

SS/Science

- Create and use simple maps such as maps of the home, classroom, school, and community
- Describe the location of self and objects relative to other locations in the classroom and school
- Locate the community, Texas, and the US on maps and globes

News To Know...

- First grade teachers are in charge of a Lollipop booth during Family Fun Night. We would truly appreciate any donations of any bag of lollipops. We will begin to collect them this week. Your child can turn them into me.
- Progress Reports will come home in the Blue Daily Folder on Wednesday. Please **sign and return** the form ASAP. As you review your child's grades, keep in mind that we spent the first several weeks reviewing kindergarten skills, classroom routines, and procedures.
- Nurse Mary has requested that all first grade students have a change of clothes in their backpacks for emergencies.
- Friday is **Spirit Day!** Spirit Shirts are available in the office for \$10.

Rotation Specials this Week

Monday—PE
Tuesday—Art
Wednesday—PE
Thursday—Music
Friday— PE

Helpful Hints at Home

- Please read with your child everyday for 10-20 minutes. A book can be read over and over!
- Work on writing the letters of the alphabet correctly. Did you know that you never begin to form a letter from the bottom line?
- Orally skip count by 2's, 5's, and 10's. Make sure your child can recognize all numbers to 30.
