- Compose 10 with two or more addends with and without concrete objects

SS/Science

- Observe, compare, describe, and sort components (properties) of soil by size, texture, and color

News To Know...

- ◆ Monday, October 13th is a student holiday. Teachers will be in training all day.
- ◆ We will be doing Pumpkin Math on October 31. I am in need of 4 to 5 parents who could volunteer their time and efforts in helping us cut the pumpkins to complete our math assignment. We are also in need of 4-5 mid size pumpkins. If you are interested in volunteering or able to donate a pumpkin, please return the attached. If I do not have enough volunteers, we will not be able to do the activity due to safety.
- ◆ Our school library will start the Husky Reader Program on Tuesday October 14, 2014. The form is in your child's blue daily folder. Every time your child reads ten books, he/she can return the form and begin to earn prizes for the books read.
- We have begun our Math Facts Challenge! Scarborough encourages students to be able to add and subtract 30 facts in 5 minutes or less with 80% or better accuracy to Meet Expectations. To Exceed Expectations, your child is required to complete 30 facts in 2 minutes or less with 90% accuracy or better.
- Do you have 30 minutes a week to help out a Scarborough student? We are in need of mentors. If you are interested in mentoring a student during school hours, please contact our vice-principal, Mr. Sandoval at 397-8000.
- Wish List: dry erase markers, erasers for the marker board
